

Videographer

Position works to preserve the history of Steele County by recording or processing video. This includes oral histories and custom-made video experiences. Position includes two distinct duties in which volunteers may participate—camera operator and video editor.

DUTIES:

- Record video
- Set up projects
- Edit video
- Create video abstract
- Publish final media
- Integrate images

LOCATION:

Work may be completed at home provided that the volunteer owns comparable software. Otherwise, work must be completed on the Steele County History Center premises.

TIME COMMITMENT/REGULARITY:

Session minimums and regularity will be project based and can range from 1-40+ hours with deadlines from 1 day to several months. Minimum of 3 hour sessions.

SKILLS:

- Microsoft Windows 7
- Adobe Mastersuite
(Premiere, Encore, Media Encoder, Illustrator, Soundbooth and Photoshop)

TRAINING:

- Digital video camera
- Windows 7
- Adobe Mastersuite

CONTACTS:

- Dan Moeckly, Archives Manager, daniel.moeckly@steelehistorymuseum.org
